Pleasure At Work

Enter

Play for keeps. **Ensemble**, from Ergo. It brings much to the boardroom table. A texture that'll smoothen out most (unnecessary) arguments. Looks that'll soften up even the most trigger-happy tycoons. A support system that ensures you stand or rather sit steadfast. Colour options that'll enliven even the most wake-me-up-when-this-is-over corporate meeting. And, of course, a range that'll please you no end. Ensemble, from Ergo. Game. Set. Match. You!

terrific 24

When it comes to minds,
two dozen are better than one.
Keep eye contact with each and
every member without stressing
your vertebrae. Score heavily
long before you begin your presentation.

 Tabletop: Boat Shape
(7500mm x 1800mm)

 Table Edge: Straight

 Finishes Featured: Top - Laminate, Avocado
Under Structure - Desert Beige

templing | 22

Two and two make twenty two.
Having 22 players in one room,
speeds up things. Long pending plans
move faster. Just keep tea and biscuits
flowing in.

Table Top: Rectangular
(6750mm x 1650mm)

Table Edge: Straight

Finishes Featured: Top – Laminate, Wild Cherry
Under Structure – Taupe

elite | 18

How many managers does it take to change a company?
How convenient to have your best people around you when you have an idea! Maybe they will like it, maybe they will bounce it.

Table Top: Boat Shape
(6000mm x 1200mm)

Table Edge: Shark Nose

Finishes Featured: Top – Painted, Bianco
Under Structure – Desert Beige

fabulous | 14

If one brain does not suffice, try fourteen.
Now that's a master move.
It's sure to make any fourteen-point
programme a lot less challenging.
With fourteen brains at your disposal,
you are Einstein and Anand rolled in one.

Table Top: Boat Shape
(4500mm x 1500mm)

Table Edge: Straight Edge

Finishes Featured: Top – Veneer, White Oak
Under Structure – Manila

talented | 12

When you are a dozen,
ideas come in by the dozen.
Get your best brains in one room.
Plan the strategy. Play the right cards.

 Table Top: Rectangular
(3750mm x 1350mm)

 Table Edge: Straight Edge

 Finishes Featured: Top – Laminate, Highline Pine
Under Structure – Charcoal Black

perfect | 10

The perfect ten is ever so elusive. When the top ten people in your company meet under one roof, the rules of the game change. Quicker thinking. Faster turnarounds. Bravo!

Table Top: Rectangular
(3000mm x 1200mm)

Table Edge: Duck Nose

Finishes Featured: Top – Painted, Dove
Under Structure – New Xon

elegant | 8

Get me eight good men and I will rule the business world.
It is not difficult getting eight good men.
Getting them together is difficult. Now stimulate thinking.
And let the corporate games begin.

 Table Top: Boat Shape
(2400mm x 1200mm)

 Table Edge: Straight Edge

 Finishes Featured: Top – Veneer, Wenge
Under Structure – Anodized

Table Top: Rectangular
(1800mm x 900mm)

Table Edge: Straight Edge

Finishes Featured: Top – Laminate, Siam Teak
Under Structure – Manila

smooth T6

There are six ways to look at things.
Thankfully, with six minds around,
it will be a cinch coming up with different perspectives.
Success is six good brains, a great table and a goal.

Table Top: Square (1200mm)

Table Edge: Duck Nose

Finishes Featured: Top – Painted, Celeste
Under Structure – Jade

Fantastic | 4

It takes four to make your shareholders smile.
Interaction increases output.
Output increases profits.
Profits make shareholders smile.
Game. Set. Match. You.

Table Top: Circle (1200mm)

Table Edge: Straight Edge

Finishes Featured: Top – Laminate, Asian Maple
Under Structure – Tender Leaf

Fantastic | 4

When you are seated around a table, it makes sense to have a round table. It rounds off serious business talk with a touch of warmth. High-fives, backslap... Enjoy!

thrilling | 3

If three's a crowd, think of it as a crowd puller. Life is one big agreement. Be it an interview or close of sale meeting, make everything a win-win situation. Victory is yours.

Table Top: Triangular Shape (1000mm)

Table Edge: Shark Nose

Finishes Featured: Top – Painted, Celeste
Under Structure – Ergo Silver

Out of sight but not out of site.
Conjurer's delight.
Look what lies under its belly.

Electrical and data wires being passed through the legs to cable beams.

Cable beams with one-flared bezels for MK brand switches.

Cable beams specially designed for MK brand switches.

Power dock (optional accessory) allows you to have and electrical points on the table.

Rear view of cable beam showing wires passing through cable beams. Ensemble has two parallel cable beams which streamline the wiring by separating data and power.

Cable bridge - to carry wires from one cable beam to another, enabling connectivity to the other side.

Power and Data provision is provided on the pole in a Square and Triangle tables.

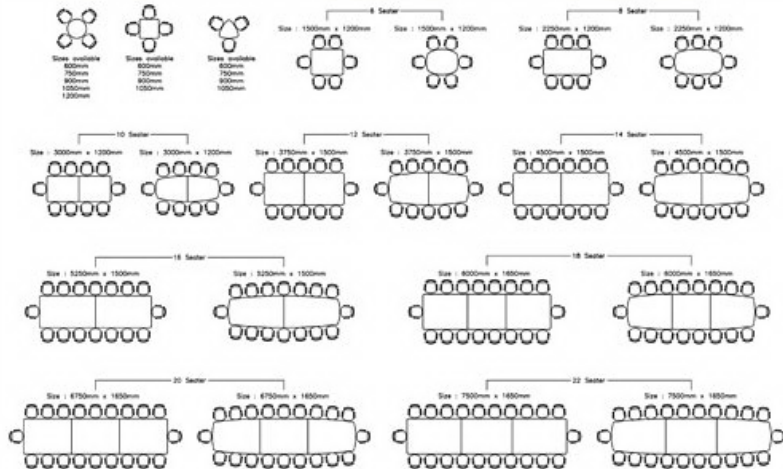

Cable pocket, an under-table lycra mesh, helps you fit excess wires, mobile and laptop chargers.

That's all about the game. Now play. Start with ordering one (at least one) for your office. Choose carefully. Or let us do it for you. We can suggest tables to suit your needs. Better still, we can even customise it. According to your office requirements. Your people. And your game plan.

Configuration

• Flexible seating capacity • Infinite extension of length in modules of 150 mm • Extension of breadth in modules of 150mm (upto 1800 mm) for laminate tops only
