Avail Open Office Collection I

----

E 1

**X.** 

With the walls literally coming down, present-day offices operate with far less compartmentalization and far more interactions and communications. Designed for ever-evolving workspaces and business needs, HNI's Avail Open Office Collection offers highly customizable solutions to deliver high-performance workspaces at a great value. As HNI's flagship open office solution, Avail challenges convention and makes a good office design accessible and attainable.

# The Avail Open Office Story

We believe, the right workplace amplifies the potential of any business. By enabling workstations to adapt, spaces to flow intuitively, shared and private spaces to balance evenly, we enable better communication and provide a sense of harmony that leads to higher productivity, happier people and healthier profits.

#### Efficiency

57

An efficient workplace is a more effective workplace. Greater accessibility and mobility help you achieve more with less by making better use of your available space. This enables increased headcount, reduced clutter, clearer focus, enhanced productivity and profitability.

#### Flexibility

business.

#### Collaboration

People achieve more when they work together. It's really that simple. And it really works. Whether it's quick, spontaneous meetings or large inclusive workshops, people need spaces to communicate, to work together and build a sense of community that drives businesses.

Adaptability, versatility, customization these are the keys to a modern, multi-functional workplace. It also makes a more future-friendly environment. Office flexibility ensures that your space can evolve with the needs of your

# Simple Parts for Complete Workplace Solutions.

Avail Bench

Avail Height Adjustable Desk

Avail Open Office Collection is made up of an exciting collection of modular components that are designed freely for reconfigurability. Thoughtfully built to adapt to all workplace trends - present and future - Avail's superior versatility enables you to make the most of your space through every iteration of possibilities.

Avail Bench

# Avail Bench

Avail Benching solution provides personal space while facilitating convenient and efficient communication. Efficient use of space increases the number of employees, save cost and can change easily with your business needs. This highly flexible system can assemble and disassemble easily to change from a focused workspace to a collaborative workspace.

BENCH

#### VERSATILE

Avail Bench with it's standard components can easily change from workstation to a conference table. So now you can instantly meet your evolving needs as your business grows.

#### COLLABORATIONS AND CONVERSATIONS

Open platform encourages discussion and collaboration at the workplace. Select a base and build a comprehensive benching solution which will inspire team spirit. This tasteful design can accommodate individual needs as well as needs of an entire team.

#### **SUPPORTING INTERACTIONS**

.....

With it's simple structure yet extensive functionality, the Avail Conference Table is the perfect setting for meetings. Cables pass from the floor level to the tabletop via an ingenious in-fill system, integrated into the intermediate leg. Collaborate, discover and discuss in an environment that encourages dialogues, while helping to build bridges across the organisation.

Cables pass easily from the floor to tabletop through Avail's ingenious in-fill system.

#### THE RIGHT DECISION

.....

Avail offers personal and extendable workplaces to accommodate the needs of every executive. A sleek, free standing desk provides space for crucial decision making and pertinent planning.

#### PERSONALIZE YOUR SPACE

Simple, efficient and versatile, the integrated storage system is designed for user-friendliness. Use it to store bulky belongings or anything that you need within an arm's stretch to facilitate your work.

Side Hanging Cabinet

Side Hanging Cabinet lets you store often-used work and personal items within an arm's reach.

#### **AVAIL BENCH CABLE MANAGEMENT**

#### Clean, Tidy and Tech-friendly

Tuck wires away neatly under work surface or route them through leg support with Avail's thoughtful cable management system, that has been designed especially for the digitally connected generation.

# A30 + A50

### A30 + A50

Efficiency is built into A30+A50 system, with panels that are shipped fully assembled, providing easy installation and simple reconfiguration. A30+A50 panel accessories and Avail Storage solutions, seamlessly integrate to build an efficient and high performance work space, where work tools are within arm's reach.

Flexibility is achieved through refined component design providing multiple solutions through a combination of basic elements. Smart connections make installation fast and reconfiguration easy even when a workstation is in use on the other side.

# <image>

Ensuring effective collaboration and communication while keeping a proper space to focus on individual tasks, is the chief challenge of modern day office designs. Multiple combinations of A30+A50 perfectly balance the essentials of focus, communication and teamwork.

#### **SMART CONNECTIONS**

Design the Workplace to Support the Way You Work

One size doesn't fit all. With evolving task-based work environments becoming essential, it's ideal to work in an agile space that can be rearranged in minutes.

The Avail workstations allow kit-of-parts to be added or removed through smart connections, so you can personalize your space instantly and effortlessly.

#### Maximizing Productivity

Avail's core components can help you make the most of every square foot while optimizing productivity and communication through easy definition of private and open spaces. The integration of A30 + A66 is another seamless arrangement.

#### Disclaimer :

Natural Variation in colour and structure of raw material for fabrics / paints / laminates, makes it impossible to guarantee that the final shades will match perfectly in every case. Minor discrepancies in the colour of the goods supplied, subsequent or supplementary items cannot therefore be recorded as justification for any claim to replacement. Batch to batch variations in shade / colour matching may occur within commercial tolerances. Since different classes of paints are required for MDF and metal items, perfect shade matching cannot be guaranteed. We would however endeavour to attain as close a match as possible.
